

May 18th, The Clubhouse celebrated Mother's Day along with Graduation Day. Five of our clubhouse members graduated this year. In appreciation we awarded them with a diploma and a trophy. Congratulations to the graduates: *Guadalupe B, Valentina A, Jose D, Jose A, and Freddy I*. We are so proud of our graduates!

For Mother's Day our youth decorated plates for their mothers. In addition, our case manager Paulina interpreted a beautiful song to honor every mom present.

After the ceremony was done, we processed to the reception. The menu was delightful. Everyone had a great time.

BUSY MAY...

After Care Party

On May 6th we hosted an After Care Party.

Two of our after care members Lilia and Ana who are currently peer leaders at The Georgia DBHDD, came to the clubhouse to present their Youth Peer Mentor Program to our newest club members. Overall, it was a very productive and fun gathering. We look forward into seeing more of our Dr3amr5 to become youth peer mentors.

Henry Higueta, Director, looks on as Dana McCrary from DBHDD, with Lilia and Ana, present the Youth Peer Certification opportunity to Clubhouse members.

Outreach to Ecuador

Our awesome Dr3amr5 volunteered to pack resources to send to the victims of Ecuador earthquake. We are so proud of our youth!

Mature Plus

May 24th our “Beginning to work it Out” group came to an end. We had a little party to celebrate that our youth completed the program. Dr3amr5 learned how to handle tough situations at a work place, and acquired new job skills.

WHAT'S GOING ON IN THE CLUB HOUSE?

Getting ready to surprise moms

As mentioned before, our youth have been working very diligently on their plates. The final step was to wrap them and craft nice bows! The final product was outstanding...

We love art!!

Not to long ago our Dr3am'rs started working on two pieces of art work using old pencils. The final touch was to make borders in order to hang them on the wall. They look beautiful!

WHAT'S GOING ON IN THE CLUB HOUSE? CONTINUED...

Car Wash Time!

Our awesome youth are washing CETPA's mini buses to make sure that they are ready for use. Our Director Henry Higuera personally made sure that the buses were sparkling clean as he washed the roof. Nice job everyone!

**Hi Mr.
Henry!**

Happy Birthday!

The Clubhouse would like to congratulate: Alan C, Ricardo H, & Victor C.

Happy Birthday guys.. We are very proud of you!

Special Acknowledgements

Thank you Nixon A. for spray painting the poles for graduation. They looked amazing

WE'RE GOING ON A FIELD TRIP!
