WE ARE LIVE!

Finally, the long-awaited day for the opening of the clubhouse Radio Station came. Thanks to all the DR3AM'R5, team work and specially Jerry Rupe and James Kamawe for their great contribution to make this dream come true. After much effort that was put, the Radio Station is now a reality.

The Radio Station is an excellent after school curriculum for the kids to learn voice over, music recording, radio engineering, video and audio, etc. We had many guests among us just to name a few, Mr. Yomi Makkanjuola, Director of Treatment Services for DBHDD and Ms. Danica Porter Chief Probation Officer from Gwinnett County Juvenile Court.

Everyone is welcome to come by and visit our radio station!

HEALTH FAIR

Every year CETPA hostess a health fair in partnership with Northside Hospital to offer free services to the Hispanic community by providing medical tests and free consultations to support a healthy lifestyle.

More than 100 people were served for the following; Blood Pressure, Cholesterol, sugar and bone density screenings as well as a nutrition evaluation.

Thank you to the Northside Hospital and staff for making this happen!

GUESTS SPEAKERS OF THE MONTH

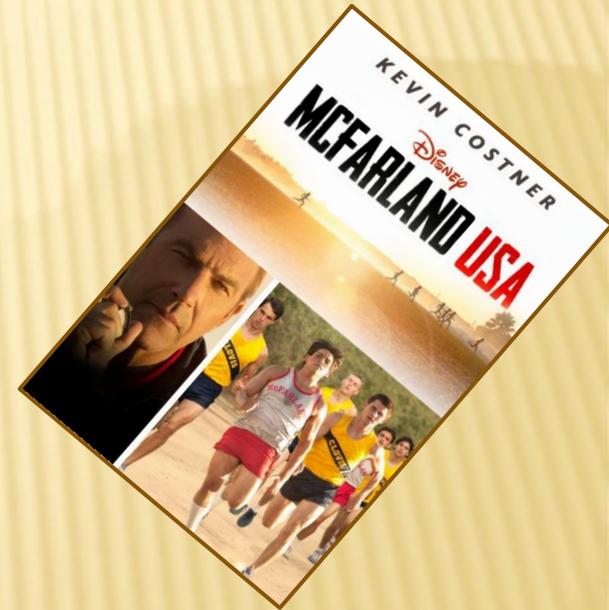

On October 1st Carlos Castro, an Educational Specialist at LifeLink of Georgia came to our clubhouse to educate our members of the importance of organ and tissue donations.

Our other guest speaker was Lilia Cruz. Lilia is a former clubhouse member who came to talk about her testimony and her anecdotes while at the clubhouse. Her story inspired our DR3AM'RS in to making better life choices. Thank you Lilia for your contribution!

HISPANIC HERITAGE MONTH CELEBRATION PART 2

October 15 culminated our Hispanic heritage celebration, for that, Clubhouse staff and DR3AM'RS celebrated by having different types of food; Salvadorian pupusas, Colombian empanadas, and Mexican burritos. While enjoying the delicious food we watched "McFarland USA" based on actual events of a cross-country coach in a small California town who transforms a team of lower-class Latino athletes into championship contenders.
